AFFILIATES *connect*
CUSTOMERS *who love deals*
with **MERCHANTS** *willing to offer them.*

MERCHANTS

Merchants are simply businesses that are using the OfferHubb™ system to place offers to promote and grow their sales.

They can be purchasing advertising directly or placing offers via a free trial, *(which we feel is the easiest way to share this system)* to build recurring sales.

Think of it this way, almost every store, restaurant, and business you frequent every day is already using discounts, promotions, coupons, and advertising to grow.

With OfferHubb™, Merchants are instantly able to communicate their featured sales message to a waiting, targeted, online audience and receive 100% of the proceeds from every sale.

CUSTOMERS

Customers are everyday people just like you and me who love to save money.

Through OfferHubb™ customers benefit by getting the best value on the goods and services they already purchase every day, without the hassle of coupons to cut, deals to pre-purchase or annoying spam emails with non-relevant offers.

No commitments, No hassles, No obligations and it's **FREE!**

With OfferHubb™, customers
"Never Miss a Sale!"

QUALIFIED AFFILIATE

All Qualified Affiliates will have the opportunity to earn the highest commission rates in Pay #2 and only Qualified Affiliates are eligible to earn in Pay #3, Pay #4 and Pay #5. Requirements to become a Qualified Affiliate are as follows:

☐ **Have at least two (2) verified Merchants using OfferHubb™**

These can be full paying Merchants OR Merchants who are using a Free or reduced priced package to sample the OfferHubb.com system. All that matters is that the business and the offer is real. Merchants using the ASAP program qualify for one of the required Merchants subject to additional rules.

☐ **Sign-up a minimum of twenty (20) verified Customers, with at least 5 NEWLY profiled within the past 30 days**

Remember, these are just family (and don't forget yourself unless you hate saving money), friends, neighbors, or anyone else that you simply share the OfferHubb™ concept with. Let people know that by checking out your BigDealsASAP.com website and profiling for free, they can put real savings into their pockets on the things they buy every day.

☐ **Log into your OfferHubb™ account at least once within the past 24 hours**

The best way to share OfferHubb™ is to use it yourself to save on the things you are already buying every day!

OfferHubb™ SELLS ADVERTISING **in TWO PROGRAMS**

A). Monthly Ad Program (MAP)

A Monthly Ad Program (MAP) is an advertising program providing the Merchant access to the OfferHubb™ marketing system. With a MAP program a Merchant may place unlimited offers to unlimited zip codes over a 30 day period.

B). Auto Ship Advertising Program (ASAP)

Monthly purchases of Advertising through the ASAP program. These programs are greatly reduced in price and intended for Merchant Samples. Refer to Pay #4 and #5 of this presentation for complete information on the ASAP program.

A). Monthly Ad Program (MAP)

MAP packages may be purchased by Affiliates or Merchants. When an **AFFILIATE** purchases a MAP program, they earn AP (Pay #3). On these purchases (Pay #2) also is paid upline]. Affiliate MAP's are purchased in blocks of \$500 and AP is earned from each purchase when the MAP advertising is applied to a Merchants account.

Affiliates may also use earnings to purchase partial MAP in increments as low as 1 AC or \$17. When purchasing in increments, 30 installment purchases, 30 AC, will be required to build to a complete MAP package which can then be marketed to a Merchant. If purchasing MAP's in installments, AP are earned at time of purchase.

Note: MAP must be used within 90 days, and standard rules apply.

MERCHANTS may purchase a MAP program directly from OfferHubb™ in blocks of \$500 and also in discounted

COMMISSIONS OF AD CREDITS (AC) SOLD

The commissions on advertising sales are as follows:

PAY # 1

15% of Advertising Sales for all Advertising Credits (AC) sold directly by you.

PAY # 2

5% - 10% (*depending on your rank*) of Advertising Sales for AC sold by Affiliates introduced directly by you (your 1st level).

2.5% - 5% (*depending on your rank*) of Advertising Sales for all AC sold by Affiliates introduced directly by your 1st level Affiliates - (which is your 2nd level).

EXAMPLE

DEB is also a Qualified Affiliate at the Executive Rank and signs up **JIM** to be an Affiliate as well.

If **YOU** sell \$1,000 in AC, **DEB** and **ROB** each sell \$1,000 in AC, and **JIM** sells \$1,000 in AC, the following commissions will be issued:

YOU \$400.00 → 15% on your direct sales

PAY # 1

Affiliates may take commissions and override commissions in cash, or will have the option to use the funds to repurchase advertising to use, sell or give away to merchants to attract new paying customers.

OPTIONAL MERCHANT SALES ASSIST PROGRAM

If you do not feel that you have the time to actively manage the sales process with merchants or would feel more comfortable with someone else closing the sale, you can **UTILIZE OUR PROFESSIONALLY TRAINED CORPORATE SALES TEAM** that will take over the leads you generate and work diligently to secure the sale.

Through this program, you may be able to convert free trial users into long-term Merchants, allowing you to earn commissions and bonuses every month they continue to use OfferHubb™.

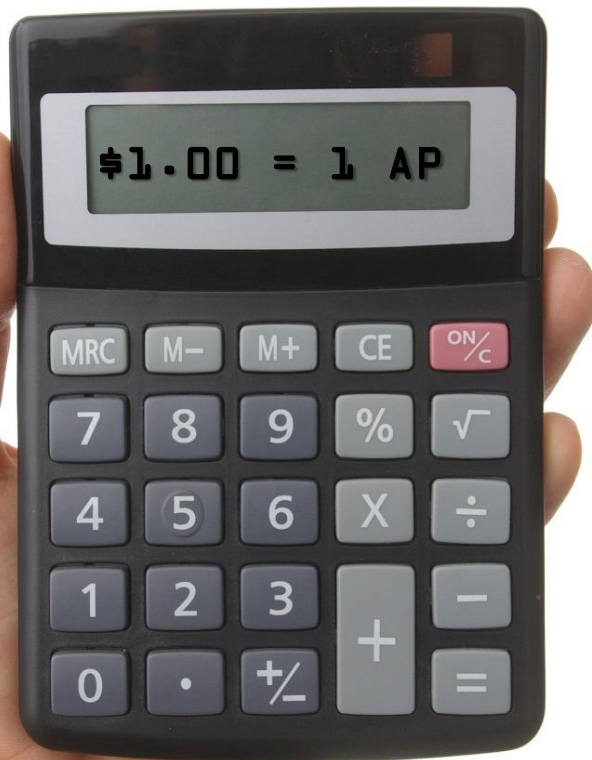

If you elect to use the corporate sales team, the commission schedule will be split evenly between you and the corporate sales team.

ADVERTISING POINTS POOL

PAY # 3

Qualified Affiliates will earn one **Advertising Point (AP)** for each **One Dollar (\$1.00)** of advertising personally purchased to use themselves or encourage merchants to try the OfferHubb™ system.

The Advertising Points Pool (APP) will be an allocation of up to fifty percent (**50%**) of the profits from advertising sales consummated by all marketing Affiliates under this program.

Every day, the applicable profits will be apportioned among the entire pool based on each Qualified Affiliate's applicable points in the pool.

The profits will be determined by measuring the daily sales volume and deducting commissions and the budgeted corporate overhead for the month, divided by the number of days in the month.

ADVERTISING POINTS POOL

Daily Cash Bonus

PAY # 3

Qualified Affiliates will earn a daily cash bonus based on the number of Advertising Points (AP) they have in the Advertising Points Pool (APP).

This bonus can be taken as cash, OR used to purchase more Advertising Credits, enabling the Affiliate to have more advertising available to use or sell. Each acquisition of AC will earn additional AP growing the total number of points the Affiliate has in their APP.

The Affiliate can set a percentage to split between cash withdrawal and additional AC purchases.

AP will be issued to Qualified Affiliates upon the sale or purchase of OfferHubb™ advertising packages but will not be considered fully earned with the Qualified Affiliate until the advertising is actually used.

ADVERTISING POINTS POOL

90 Day Lifecycle

PAY # 3

In the event purchased advertising is not used within 90 days of purchase, the AP and/or ASP related to it shall be removed from Affiliate's account.

OfferHubb™ will strictly adhere to the policy that prior to honoring an order for product by an Affiliate, the Affiliate must certify that he/she has placed or sold to non-Affiliate merchants at least 70% of all prior inventory purchased.

AP is used solely to determine Qualified Affiliate's allocation of the Advertising Points Pool, AP have no cash value and all AP issued expire after ninety (90) days.

Exception: No AP shall expire until a minimum of 120 days from the official launch date of the OfferHubb.com platform to end users/merchants

ASAP 2x5 MATRIX POOL PAY # 5

Personal Level

Each Qualified Affiliate purchasing or selling an ASAP package will earn the appropriate Personal Level ASP points. Earning ASP Points is a critical part of the OfferHubb™ Compensation Program as the number of points earned determines the Affiliates OfferHubb™ Rank. The higher the Rank, the greater the commission and bonus earning potential in regards to Pay #2 and Pay #5.

PERSONAL LEVEL	ASP EARNED
ASSOCIATE	20 pts.
DIRECTOR	50 pts.
EXECUTIVE	100 pts.

Due to the highly discounted pricing offered, no AP are earned on any ASAP sales.

THE 2x5 FORCED MATRIX

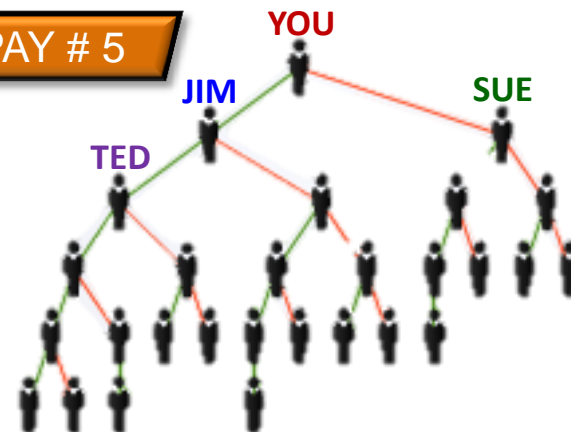

PAY # 5

All Affiliates are placed in a 2 x 5 "forced matrix" pay structure when they initially join OfferHubb™.

2 x 5 means that each affiliate has two positions directly connected to him or her, one to the left and one to the right directly below their own. Each of these positions likewise has two connecting positions below them, and so forth.

There are 5 rows, or LEVELS. This means that, numerically each row or level has twice as many positions as the row above. It's called a "forced" matrix because, since each position only has two direct downline positions, additional Affiliates are "forced" below existing positions.

For example, if **YOU** sponsor **JIM** and **SUE**, then **JIM** would be placed in your first position (*your left downline position*) and **SUE** would be placed in your second position (*your right downline position*). If you were to then sponsor **TED**, he would be placed under **JIM**, filling **JIM's** first, or left, downline position, since your only two direct connected positions are full. Affiliates that are forced under other affiliates are called "spillover" affiliates.

Again, although all Affiliates are placed in this structure, they cannot earn from it until they have become Qualified Affiliates and have attained a rank of Associate or higher.

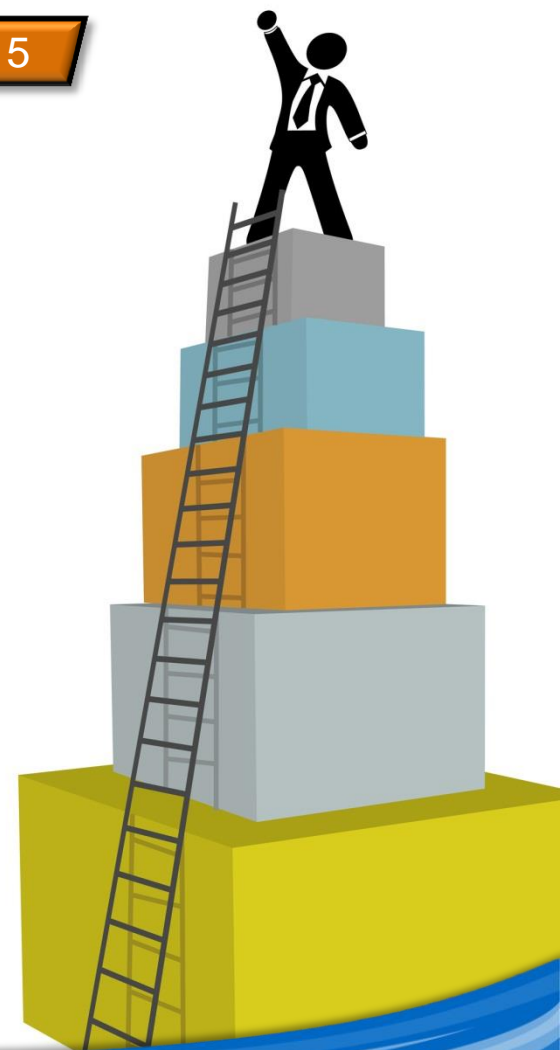

IMPORTANT: Commissions are paid on a COMPRESSED 5 levels or rows. In other words, Qualified Affiliates not qualifying as Associate, Director, or Executive are compressed out and not counted when 5 levels are calculated for commission payments.

ASAP 2x5 MATRIX RANKS PAY # 5

By participating in the ASAP program, Qualified Affiliates earn ASP Points. The number of Points Earned determines their OfferHubb™ Rank. Higher ranked Affiliates are entitled to higher rates of commission and earning potential in regards to Pay #2 and Pay #5.

By participating in the ASAP, Affiliates may qualify for these ranks.

RANKS	ASP REQUIRED
ASSOCIATE	20 pts.
DIRECTOR	50 pts.
EXECUTIVE	100 pts.
